

CARSON BEST ACADEMY

ECO-FORCE UPDATE

Carson BEST Academy has partnered with Greening Youth Foundation to provide environmental education and programming to the school.

The partnership started in September with the forming of the environmental Club, Eco-Force, under the guidance of Ms. Susan Dunn and Georgia State Green Corps members Nichole Hollis, Bethany Raney, and Ebo Quainoo.

The new Eco-Force Club executives are:

President: Devonte Holliday

Vice-President: Jeremy Brown

Secretary: Dontavious McGhee

Treasurer: Javian Walker

Project Coordinator: Andre Jackson

The Eco-Force Club has also established a school-wide paper recycling program, where the students take pride in greening their campus one classroom at a time.

There was also a visit on November 5th by Atlanta Falcons full-back Ovie Mughelli, who gave students a quick but spirited speech about the importance of supporting environmental efforts. This was part of Eco-forcers' monthly *Green Speaker Series* where environmental professionals visit and share their careers with students.

The upcoming months will have lots of activities for Eco-forcers including field trips and other outdoor activities.

Go Eco-Force!!!
