

CREWS MIDDLE SCHOOL

RECYCLING UPDATE

Crews Middle School has partnered with Greening Youth Foundation to start a school-wide paper recycling program. The program is currently being run by the school Eco-Force Club, with supervision from Mrs. Beverly Paes and Jonathan Zamarripa from Georgia State's Green Corps.

Eco-Force Club executives are:

President: Kiara Phipps

Vice-President: Mariah Williams

Secretary: Becky Santiago

Treasurer: Rebecca Olsen

Each classroom, modular unit, office cluster, and copy area has been given recycling bins, and the Eco-Force Club collects the paper every other Monday at 8:15AM

Currently, paper makes up about 68% of the school's trash, and Crews Eco-Forcers will help to divert as much of this paper as possible from going to landfills.

Please help Crews Eco-Forcers achieve this by spreading the word, and encouraging each other to "Reuse, Reduce, Recycle"!

Go green!!!
