ECO-FORCE UPDATE

MLK Jr. High School has partnered with Greening Youth Foundation to provide environmental education and programming to the school.

The partnership started in October with the forming of the environmental Club, Eco-Force, under the guidance of Ms. Rudolph (Science), Nichole Hollis and Ebo Quainoo. The new Eco-Force Club executives are:

President: Niambi Omolara
Vice-President: Tade Overinde
Secretary: Kristina Edwards
Treasurer: Alyson Key
Media/Public Relations: Amber Irvin

The MLK Jr. Eco-Force Club has also established a school-wide paper recycling program, where the students take pride in greening their campus one classroom at a time.

For the month of December, Classrooms 1036 and 2037 were selected as "Recycling Classes of the month" and will be awarded certificates.

The Eco-Forcers are planning to promote environmental awareness throughout the school, construct an outdoor garden and undertake an environmental field trip during the year.

Go Eco-Force!!!
