South Atlanta High School has partnered with Greening Youth Foundation to provide environmental education and programming to the school.

The partnership started in October with the forming of the environmental Club, Eco-Force, under the guidance of Ms. Brandy Ross and Green Corps members Jonathan Canales and Kara Holloway.

The new Eco-Force Club executives are:

President: Michelle Render  
Vice-President: Donnae Bolden

The Eco-Force Club has also established a paper recycling program, where the students take pride in greening their campus one classroom at a time.

South Atlanta Eco-Force also hosted an Eco-Athlete, Atlanta Falcons full-back **Ovie Mughelli** on December 1<sup>st</sup> as part of the Green Speaker Series. Ovie gave a spirited talk on individual responsibilities on overcoming injustices such as Environmental Racism.

Ovie Mughelli poses with South Atlanta Eco-Forcers.

The second half of the year promises to be a very exciting year, with lots of Eco-force activities, including field trips.
